

Do you have a doctor in the family?

You do now!

Allied HealthCare Assistant

If you don't have a doctor in the family, who helps you with the tough health care decisions? When the time comes and you need help with the health care system, Allied HealthCare Assistant will be **your champion.**

Allied HealthCare Assistant is an umbrella of health care services available to Allied National members and their families. These services ensure that our members have the absolute best access to the best health care in the country while saving members money.

Visit www.alliednational.com/assistant or call 844-287-6078 for help.

Allied National is not an insurance company; we work for your employer to get you the best care from the best providers.

Allied's HealthCare Assistant will help you:

- Understand your **diagnosis**.
- Find the **right doctor** who specializes in your condition.
- Get the **best treatment** for your specific needs.
- Receive second opinions from **top doctors**.
- If you are taking multiple medications, you might be a candidate for DNA testing to help you get the **right drug doses** and combination.
- Manage diabetes for a **healthy life**.
- Get support with **behavioral health issues**.
- Manage any **specialty drug** you are taking.
- Access to high-quality imaging at no cost to members.

When Should You Call Your HealthCare Assistant?

- Your HealthCare Assistant can save you hundreds or even thousands of dollars by offering you financial incentives or eliminating your copays for some benefits.
- If you have diabetes, your HealthCare Assistant can help you find free testing supplies.
- Need guidance about a mental or behavioral health situation? Again, HealthCare Assistant has access to experts to help you.
- Want a second opinion? HealthCare Assistant will help you get it.

Call Allied HealthCare Assistant at 844-287-6078 when you have a medical issue. There's no cost to you! This service is provided to you by Allied National and your employer.

We appreciate the opportunity to provide you with valuable health benefit coverage. If you have any questions about your benefits, please call Allied Client Services at 800-825-7531 or email clientservices@alliednational.com.
